Yellow Jackets

for TEXAS

Dear Yellow Jacket family,

Oakleaf Junior High School is joining Clay County School District in a campaign to offer relief to the victims of the recent tragedy in Texas. We are proud to announce that we will be partnering with Rockport-Fulton High School in Rockport, Texas to offer our heartfelt support.

We are asking for our OJHS families to show their support by having students bring nonperishable items from the list below to school next week. Your lunch-time teacher will have boxes set up to take in the donations.

Together we can make a real difference to Rockport High School and their community that has been devastated by Hurricane Harvey. **YELLOWJACKET PRIDE, now is the time to shine!**

Sincerely,

Kristin Rousseau,
Principal
Oakleaf Junior High School
